

EPITA RANKS AMONG THE TOP FRENCH ENGINEERING SCHOOLS IN 2020

**L'USINE
NOUVELLE**

**THE FRENCH MAGAZINE L'USINE NOUVELLE
AWARDED EPITA AS THE BEST PRIVATE
ENGINEERING SCHOOL IN FRANCE.**

Every year, "L'Usine Nouvelle" magazine publishes its list of **the best French engineering schools** in France. In 2020, the IT intelligence school was honored to receive 15th place in the general ranking of 130 French engineering schools, behind the higher general engineering schools. It also took first place in the category of computer engineering schools focused on the digital sector!

EMPLOYABILITY FOCUS

EPITA ranks **#1 in computer engineering schools according to the employability criteria.**

Rank	School	EPITA graduates' employment prospects	Required internship length (in weeks)	Percent employed in less than two months	Annual gross salary (in euros)	Percent permanently employed within 18 months
1	EPITA	79	56	91,40	49 560	63,30
2	EISTI	77,90	60	95,70	47 000	100
3	CESI	72,80	102	90,30	42 160	85,10

EPITA IS STILL AT THE TOP IN 2020

EPITA ranks **#1 as the leading digital engineering school according to five criterias:**

School	Information technology industry	Salary after graduation	Number of Alumni on LinkedIn	Level of English required	Instructors with a teaching background	Total
EPITA Kremlin-Bicêtre	4	5	4	5	5	<u>23</u>
Télécom ParisTech	4	5	5	3	5	<u>22</u>
CentraleSupélec Central degree	2	5	5	5	4	<u>21</u>

Challenges

THE FRENCH BUSINESS MAGAZINE CHALLENGES AWARDED EPITA AS THE BEST PRIVATE UNDERGRADUATE ENGINEERING SCHOOL IN FRANCE.

Every year, "Challenges" magazine publishes its list of **the best french engineering schools** in France. In 2019, with four stars once again. EPITA is ranked as the best private undergraduate engineering school in France, according to the following criteria :

- selectivity and admission procedure.
- international exchange programs.
- salaries of recent graduates.
- tuition costs.
