Students enrolled in this program can pursue a Master of Science program.

## Learning Objectives

The heart of the program is to enable students to meet all the challenges of application development and to take up evolutive positions in French and international companies.

Internship salary:  
**1000-1200 € monthly**

## Application

### Requirements

- Scientific High School Degree with solid mathematics and general sciences background

### Fees

- Tuition fees per year: 9900 €/per year + 500 € International Student Pack
- Application fees: 60 €

### Deadline

31<sup>st</sup> of July  
(September Intake)

### Procedure

**APPLY  
ONLINE**
